PROJECTS DONE WITH PERSONAL INTEREST

HOMMY APP (ONGOING):
Developing a hybrid app that is having similar functionality of Foodpanda / Zomato app for one of my school friend who is running a restaurant.

VARADHI
Developed static website for one of my friend to display his products who is a wholesale Dealer in electronics
Site URL: http://www.varadhiitsolutions.in/

PVPLibrary
Contains the place and details of the books in the library of PVP College of Engineering. Launched the app in Google Play store (https://goo.gl/Ng8OTp).

Crazy Colors
It is a colour puzzle game which I have developed based on a logic that adding two colours will create a new colour. The player must add Red block, Yellow block and a Green block to make a white colour. Launched the app in Google Play store (https://goo.gl/5Hk9Iy) and Amazon App store (https://goo.gl/8pMGGO).
Also, launched a landing page for this app (https://makemewhite.github.io/)

ILEARNTTODAY
It is an android app launched in google play store (https://goo.gl/qmI0go) having Web View of my personal blog http://manikantavoonna.blogspot.in/ which I update every week on things what I learnt technically in my day to day life.

PERSONAL WEBSITE
Developed my own personal website having my profile and hosted it in GitHub pages http://manikantavoonna.github.io/

HOBBIES

- ➢ Watching movies
- ➢ Photography
- ➢ Android App development

DECLARATION

I do hereby declare that the particulars of information and facts stated herein above are true, correct and complete to the best of my knowledge and belief.

PLACE: Bangalore

Yours faithfully,
